BONUS VIDEOS FAQ

Since we introduced the bonus videos in our big-boob mags, some readers have been hesitant to view them or simply haven't done so at all. And that's because they're skeptical. A little skittish.

If you fall into that group, this is for you. We want to assure you that there are absolutely no strings attached. Free means free. So here goes with a quick FAQ.

Is this a trick to get my personal information so you can sell me something else or sell my information to another company?

Absolutely not. When you go to the home page for the videos (for this issue, it's www.scoremag.com/SP349), the only information you're prompted to enter is your bonus code (see below-right for your exclusive code for this issue). No email, credit card or personal information is required or requested. It's all completely confidential.

Okay, fine, but don't deny it: I'll still get a ton of malware and spam, right?

Nope. All of our websites are 100% malware-free. You won't get any spam because we don't request any personal information. Since we do not use cookies, you're not at any risk of getting unwanted emails or pop-ups. Basically, we'll have no idea who you are.

I gotcha. But you're just going to show me a teaser of the scene and make me pay to see the rest of the video, right? Or you're going to try to upsell me to another scene.

Nope. No teasers. Once you access the bonus video page, you'll be able to view or download the full videos. And there are no upsells in the bonus video website. We won't try to sell you anything else. We're very thankful that you purchased 50Plus MILFs magazine. That's enough for us!

Watch the bonus videos and enjoy the full, new 50Plus MILFs experience with no strings attached. We guarantee it!

EASY AS 1-2-3!

1. Go to scoremag.com/SP349
2. Enter your access code.
3. Enjoy the scenes!

Where horny readers talk about the world's horniest women...50Plus MILFs!

HE'S TALKING FOUR-PLUS CENTURIES OF GILF PUSSY!

Dear 50Plus MILFs,

Nearly 400 years of wrinkled granny pussy on display (SP344)... these horny

old gals give a show-stopping performance which we can only hope ushers in more granny-on-granny action, which has been grossly lacking and long overdue. Watching grandma eat and fuck old pussy is a welcome change of pace.—M.G., via email

SIX GRANNIES, LOTS OF PUSSY, BUT WHERE WERE THE STUDS?

Dear 50Plus MILFs,

The six-way granny orgy in the Summer 2019 issue (SP344) is the first time I've seen so many lovely, horny GILFs together and completely enjoying each other. The parts with the

strap-ons were exciting, but to me, the logical conclusion would have been to have two or three young hunks finish off the ladies.—Miklos, via email

CAROLINE HAMSEL WAS A VERY CONVINCING STREET HOOKER

Dear 50Plus MILFs,

I adored Caroline Hamsel's DP scene (SP344). I have a serious thing for hookers going all the way back to the 1980s and 1990s, before the Internet came along and took hookers off the streets in the United States. I used to cruise the Chelsea district in Manhattan and the Combat Zone in Boston looking to pick up hookers to suck my cock for \$25. I knew it was dangerous, but that was half the fun. Back in 1989 or thereabouts, I was in Chelsea on a Sunday afternoon when I picked up a big-titted hooker who looked to be in her 50s. She told me I was her last blow job of the day because she had to go back home to New Jersey for a family picnic. When I heard that, I was ready to cum before she even took my cock in her mouth.

Caroline is convincing as a street hooker but not because she is one.

Caroline Hamsel is a very believable hooker. In the video that came with the issue (nice touch, by the way), I loved how you had her in a very seedy part of town smoking a cigarette. The outfit was very believable. In New York City, the hookers walked around at all hours

of the day and night with outfits that looked like they had bought them at Frederick's of Hollywood. Caroline's outfit is like that. Great job. Is Caroline a street hooker?—B.M., Mount Vernon, New York

Dear B.M.: Caroline is not a street hooker. She lists her occupations as escort and porn model, and that's all we have to say about that!

STILL GETTING ASS-FUCKED AFTER ALL THESE YEARS

Dear 50Plus MILFs,

From what I remember of her early porn career, Keli Richards' (SP344) money-maker was her skinny ass and taking large cocks up that nice, slim ass. So, I guess it's no surprise if the producers go with that trend. Still, it would be nice to get some views of her tits. Keli is a very sexy woman and has aged well, and it's nice when women get back into porn.—M.L., via email

Dear M.L.: Keli still has a nice, slim ass, and she still takes big porn cocks up it. See Keli in her return ass-fuck scene in Your Mom Loves Anal 2, available on page 99.

By the way, we received a few entertaining comments about Keli, and we say they were entertaining because they show that not everyone reads 50Plus MILFs; some guys just look at it. Miklos wrote, "Is this the same Keli Richards from the '90s? That porn star was a skinny ass, flat-chested teaser. I guess this MILF could be the same one, filled out with a few more pounds on her." Yep, one and the same, as we said in the copy. Another reader called Keli's

A porn star in the 1980s, Keli Richards is back and still taking it up the ass.

appearance "a spectacularly sexy debut for this beautiful cougar actress." Oh, well.

THE HIGHLIGHTS OF GRANNY FUCK CLUB...THERE WERE A LOT!

Dear 50Plus MILFs,

I just watched the *Granny Fuck Club* movie. That's how nasty whore grannies fuck! Seeing Rita's and Sally's old, wrinkled hands spreading Chery's ass wide so she can take cock in her old asshole is amazing! Rita and Sally are looking very old and their cunts very used. The cum swap at the end sent me over the edge.

More highlights: the doggie-style

Rita Daniels, Chery Leigh and Sally D'Angelo having fun in *Granny Fuck Club*.

Brooklynn Rayne, who has big, floppy tits, just the way I like them. I like when a woman in your mag has floppy tits, they're a sign of age.

Some of the old sluts in *Granny Fuck Club* have big tits, too, like Rita Daniels, Sally D'Angelo and Cammille Austin, although I don't think their tits are real. Just saying. That's okay, though. I'd fuck them and cum all over their tits anyway. My favorite movies are *Big Racks*, *Hot MILFs* and my favorite scene is in the second one where sexy, big-titted Michaela gets a

taboo when she was growing up, which makes it so good for her now. How many other women of her age have fantasies they would love to fulfill yet don't because someone might disapprove, never mind acting them out before the cameras? She doesn't live by other people's rules, she's brought up a family and now her sex life is coming first. That is the sort of thing I love to read, making the pictorials more enjoyable.

The *Granny Fuck Club* shots and movie excerpts, featuring some of my faves of your stars, was exceptional, too. There is something about mature women in thongs that does it for me. I can never get enough of Rita Daniels. Hearing these marvelous women talking about their adventurous sex lives adds greatly to the visual effect. Rita and Luna Azul said they'd missed out on 25 years of fucking, but how they have made up for it since!

Sally, what more can I say? She's not afraid to put sex first, even when she was younger, and now she's a star. The movie of this scene is a must for me.

Keli Richards is looking better than ever! She wants all the readers to jack off to her. I'm sure that's one wish that's come true. I think she used to do a lot of anal in movies, but her asshole looks so tight. All the other horny women featured looked really amazing, too. Your photographers do an excellent job.

Real women, either with adventurous sex lives already or just beginning to spread their wings, and the superb photography are the main reasons you have no competition and why fans like me always look forward to more.—G.S., via email

COCK IN ASS, UNOBSTRUCTED VIEW OF THE HAIRY PUSSY

Dear 50Plus MILFs,

Kelly Scott (SP344) is my new favorite. Her anal scene is amazing, both the photos and the video. Kelly is proud of her hairy pussy, as she should be. Bald pussies are for pre-teen girls. Not my cup of tea.

I just had one problem with the photos and the videos: the stud came on her face. When you have a MILF with a hairy pussy, it should be a requirement that the guy cums on her bush and she rubs it in.—J.P., via email

Occupation: Businesswoman
Marital status: Married

Interview

50Plus MILFs: Hi, Chery, and welcome back to *60Plus MILFs*. It's great to have you, and it was really great watching those two guys have you in *Granny Fuck Club*.

Chery: That was so much fun. I had never done a DP and I was a little nervous about it, but Rita and Sally gave me some pointers and helped me, and it was great. They said the most-important thing was to relax, and by the time Jonathan and Archie stuck their cocks in my wet pussy, I was so into what we were doing that I was totally relaxed. I had a blast!

50Plus MILFs: Do you think you would do it again?

Chery: Oh, definitely!

50Plus MILFs: Let's talk about the scenes you've done for us. Have you watched any of them?

Chery: Yes.

50Plus MILFs: Have you watched them with anyone?

Chery: Yes, with my husband and some friends.

50Plus MILFs: What did you think about them?

Chery: I thought they were well done. There was very good camera work. There were some things I did that I would improve on, but that's probably just me being self-critical. The men I watched them with definitely liked them!

50Plus MILFs: Has shooting your scenes changed you at all?

Chery: I think they've given me more confidence and made me want to do this even more. Doing *Granny Fuck Club* with all those beautiful women was such a wonderful experience, not just the girls but the professionalism and quality of the shoots, the locations, the stylist. It was all a great experience.

50Plus MILFs: You told us you were a beginner when you had anal sex for the first time with us. You're not a beginner anymore, are you?

Chery: Not at all, although it's definitely not something I do all the time. It has to be with the right person and he has to know what he's doing. I love anal sex. I loved it from the first time I did it, but it's not always on the menu. What I did in *Granny Fuck Club* was totally new to me.

"I'd never experienced an orgasm until I met my third husband," wife, mother and grandmother Chery Leigh said. "In 20 years, my ex-husband might have gone down on me twice. Then I met my current husband, and the first time we had sex, he went down on me right away. I was trying to push him away because I didn't know what to expect, and all of a sudden, he had me having an orgasm within minutes." There's been no turning back for Chery, who fucked on-camera for the first time when she was 55 years old and is back here at age 60 to show off her hot body.

Chery is a swinger. When she had sex with the other members of the Granny Fuck Club, it wasn't her first time with a woman. Or women. She's had sex with men she's just met. She's been at the center of a gang bang with seven guys. "It's like somebody turned on the faucet and never turned it off!" insatiable Chery said.

In the movie *Granny Fuck Club*, Chery does something she had never done before: She gets DP'd by two studs, one of whom has a big, black cock. "I remember my first interracial," Chery told us. "I was very young, and ever since then, I've wanted it again. And after being married then coming back out at 50, that's the first thing I wanted." Chery can have whatever she wants when she's here with us. She's a prime example of what we've always said: Sure, women get older. That's part of life. But they get better, too.

50 PLUS MILFS®

INTERVIEW BY JOSE LEYVA

The debut of a sexy new 70-year-old is a huge event at 50Plus MILFs, so we're very proud to introduce Mandy Thai. She's here to show off her hot body. And, of course, to have sex with very young studs. You'll see that in an upcoming issue, or you can see her fucking now at 60PlusMILFs.com.

"Older women have experience, and know what they like," Mandy told us. "And she has more feeling, and she goes with the sex. She's not going to just lay there. She knows how to please a man. Guys like a woman who knows what she's doing."

Mandy is that woman. She's Thai-American and lives in Los Angeles,

INTRODUCING MANDY THAI

**She's 70
years old!**

California. She's divorced. She's a mother and a grandmother. And she decided to become an adult model when "a friend of mine thought it would be neat to try it out. I didn't know it would be so much fun, too."

We asked Mandy if the people she knows would be surprised to see her here, and she said, "Yes, probably when they see how good I look naked."

Mandy enjoys playing tennis and going for long walks on Malibu Beach. She likes men who are confident, intelligent and daring. And she describes her perfect evening as "a nice dinner followed by an evening of oral sex."

Mandy, we've already made the reservations!

50Plus MILFs: Here we are with our newest 70Plus MILF, Mandy Thai. Hi, Mandy. How are you?

MANDY: I'm good, thanks. I'm so happy to be here.

50Plus MILFs: Have you ever modeled before?

MANDY: No. This is my first time ever! I'm very excited.

50Plus MILFs: How did you decide to start modeling?

MANDY: Well, I'm 70 years old, and I do webcam, and I like to be in front of the camera. I like to show off my body. It makes me feel young. It's very important for a woman to feel desired, so one day, at a friend's suggestion, I decided to browse the Internet, and I saw

The SCORE Group, and I just called and sent in my pictures. And you said, "We'd love to have you." And I said, "Wow, I'm so excited! I didn't think you would accept me at 70 years old."

50Plus MILFs: Well, we have a motto here at 50Plus MILFs: the older the better. If a woman is hot, sexy and willing, she's never too old for us. And you're beautiful. So you do webcamming. How did you get into that?

MANDY: I was looking around online and decided to do it. The money is good and it's fun. I get to meet people and be sexy.

50Plus MILFs: What kinds of things do people ask you do on webcam?

MANDY: Oh, god, they ask me so many things. The first thing they ask me is, "Are you married?" That's always the first thing they ask me. I'm not. "Can I have your phone number?" Then they ask me, "What do you do on your private show? Do you use dildos? Do you cum? Do you squirt? Do you do blow jobs? Do you do anal?" All kinds of things, some of them too private to talk about. Some say, "Can you laugh at me because my dick's small?"

50Plus MILFs: Guys ask that?

MANDY: They do. They want me to laugh at them because their dick is small. And they'll say, "Can you put on your hiking shoes and step on my dick? I like to be tortured. Can you pee on my face?" Guys ask me all kinds of crazy things.

50Plus MILFs: On your webcam, is it you by yourself or are you sometimes with another person?

MANDY: It's just me.

50Plus MILFs: So your scenes at 60PlusMILFs.com will be your first time on-camera having sex with somebody. Are you excited?

MANDY: Yes. Excited and scared and wondering what it is going to be like.

50Plus MILFs: Let's talk about sex. You like sex, right?

MANDY: I love sex!

50Plus MILFs: What's your favorite thing about sex...besides cumming.

MANDY: I like passion. I like kissing and touching. I like when it's romantic.

"I like passion. I like kissing and touching."

I like making love, not fucking. I like when the man is kissing me and rubbing me and moving his hands all over my body and kissing my titties. I love oral sex. I love when the man eats my pussy...if the man knows how to do it.

50Plus MILFs: What is your advice to the guys out there about how to give oral sex to a woman?

MANDY: Listen to what she's saying. I'll say to a guy, "Oh, just like that, baby." I'll tell him what I want, just like when I am giving a guy a blow job, I want him to tell me what he likes. It's a give and take so everyone enjoys it. Especially with a young guy, if I am with him, I will teach him how to eat my pussy.

50Plus MILFs: Favorite position?

MANDY: I like every position. I like doing different things.

50Plus MILFs: How about anal sex? Do you like stuff in your butt?

MANDY: No. I never have. I never wanted to try it, either. That's off-limits. Do not enter! *[Laughs]*

50Plus MILFs: And you like to make love. Soft sex.

MANDY: Yes. Start slow. Don't get carried away, let the excitement build up, then go harder.

50Plus MILFs: What's the best way to make you cum?

MANDY: Being on top of me. Me lying on my back with the guy on top.

50Plus MILFs: What kinds of guys do you like?

MANDY: Young guys. Older guys as long as they're in good shape. Hygiene is important. He has to be clean. That's very important.

50Plus MILFs: Do you like women?

MANDY: I've never tried. I don't know. I'm 70 years old. I'm old-fashioned. I've only had sex with men, but I know things have changed. Whatever makes you happy, but I've never been attracted to women. I like guys. You know what I've always fantasized about? Having two guys. I've never had two guys. Maybe I should try it!

50Plus MILFs: You should! Rita Daniels is 69 years old and she just shot a scene with three guys.

MANDY: Amazing. Maybe next time I'll try two guys.

50Plus MILFs: What other fantasies do you have?

MANDY: Being blindfolded. Just having my hands up against a wall and having no idea who the guy is or what he looks like or what he's going to do to me. Not a gangbang. Just with one guy, tying up my arms and my legs. That would be fun.

50Plus MILFs: How do you like to dress when you go out?

MANDY: I like to dress young but not too sexy, not showing too much. It depends on the time and place. During the day, usually just jeans or shorts. I like shorts because I like to show off my legs. And I workout four or five days a week, so a lot of times I wear workout outfits. Ponytail. Caps. If people saw me on the street, they wouldn't know it was Mandy Thai.

50Plus MILFs: How about your pussy? Shaved? Hairy?

MANDY: I have a hairy pussy. Do you want to see?

50Plus MILFs: Sure.

MANDY: Are you ready? *[She pulls her panties aside]* What do you think? Hairy enough for you?

50Plus MILFs: Definitely. Do you think guys like hair more than no hair?

MANDY: *[Rubbing her pussy]* I don't know. Some guys like hairy. When I was webcamming, I had two kinds of guys, some who liked hairy and some

Interview

50Plus MILFs: Hi, Melissa. It's really great to have you here at *50Plus MILFs*. You're a beautiful woman.

Melissa: Thank you! It's so nice to be here.

50Plus MILFs: Now, you were born where?

Melissa: I was born in Hawaii and I live with my husband in Romania.

50Plus MILFs: Do you have kids?

Melissa: Yes, I do. I have been told that I am a MILF.

50Plus MILFs: You definitely are. What do you do for a living?

Melissa: Right now I am a webcam model, but I have also been a flight attendant, and I used to teach first and second grade English. I wonder if any of my former students are out there reading this? *[Laughs]*

50Plus MILFs: You never know.

Melissa: I also have a dental degree, so I have done a lot of different things but nothing as fun as this.

50Plus MILFs: Is it true that Rita Daniels found you for us?

Melissa: Yes, she did. I have never met her, but Rita saw me on my webcam and suggested that I contact you, so I did.

50Plus MILFs: Other than Rita, would the people you know be surprised to see you here?

Melissa: Some yes, some no. Our best friends know that I have been a webcam model for years. Most of my family does not know. And, of course, my husband loves sex and encouraged me to do this.

50Plus MILFs: It's always great to have a supportive spouse. Are you a swinger?

Melissa: I used to be until the woman we were swinging with and my husband fell in love. Long story! We are still friends but don't swing anymore. My husband loves to see me with other men, though, so lucky me!

50Plus MILFs: What is the best way to get you off?

Melissa: Having my clit licked to orgasm then having his dick deep inside of me. Touching everywhere. I love having my feet worshipped. And my fantasy is to dominate someone, male or female but preferably male. Him wanting me to make him my bitch. I would love to do that!

"I love using my vibrators and my fingers to masturbate," first-timer Melissa Johnson said. "How much time I take depends on where I am and how much time I have. And, of course, how horny I am." In these photos, Melissa is obviously very horny. She's already made you horny, hasn't she? Melissa, with her hot body and mature look, just boils over with mature sexuality.

Melissa is a webcam model who was spotted by 60Plus MILF Rita Daniels, so it's fitting that both ladies are in this issue. Rita loves having big cocks up her ass. Melissa got ass-fucked for the first time on-camera in the new movie *Your Mom Loves Anal 2*. "I love anal sex," she said. As for being watched while having sex, she said, "I don't mind, that's for sure. My husband is a voyeur, so I've often let him watch me with other men."

Melissa has been married to the same man for 30 years. She enjoys going to the gym, baking and reading. She used to play volleyball and basketball. Favorite TV shows: *Game of Thrones* and *Desperate Housewives*. She's no desperate housewife.

Favorite movie: *Sister Act*. She wants to do a bukkake. We can certainly arrange one of those with *50Plus MILFs* readers. We're sure most of you are building up a sac-load of cum to shoot all over her right now. "Hmmm," she said. "What a nice thought!"

YEARS OLD

Birthday: June 22
Height: 5'7"
Weight: 128 lbs.

Lives: South Florida
Occupation: Porn star
Marital status: Divorced

Interview

50Plus MILFs: Hi, Rita, and welcome back to celebrate your 69th birthday and 10 years with *50Plus MILFs*. When you first came to us 10 years ago, did you think it would be a one-time thing?

Rita: Definitely. A talent scout who had submitted some girls asked me if I would be interested in doing this, and I laughed and said, "Oh, yeah, sure, they're going to want a 59-year-old woman." I thought it was some kind of a joke. But I thought, "Well, let's give it a shot. I doubt if they're going to take me." And lo and behold, I got a letter back that you wanted me to fly to Miami to do a shoot. So I thought, "Okay, let's give it a try," and 10 years later, I'm still here shooting for The SCORE Group. I didn't have any plans or grand ideas about being a famous porn star or anything like that. I did it because I could. Because I was invited by you guys.

50Plus MILFs: What if somebody had told you back then that you'd still be doing this in 10 years and you'd become one of the hottest mature porn stars on the planet?

Rita: I probably would've just laughed. I really didn't know it was going to be such a fun adventure and that I'd get into it like I have. I go to airports and have guys come up to me and say, "You're Rita Daniels!" At home last Christmas, I was doing some last-minute shopping on Christmas Eve, and there I was in the store, shopping and blowing bubbles, and a young guy was on his knees doing Christmas boxes. And he looked up and said, "Oh my god, you're Rita Daniels. Oh, Rita, I have to take you to Victoria's Secret and pick out an outfit for you." Stuff like that happens all the time.

50Plus MILFs: So before that very first scene you shot for us, what was going through your mind?

Rita: I was shaking, I was so nervous, but luckily, my first shoot was with Levi Cash, and he is such a sexy man, and he was experienced in shooting and helped me out so much, posing me in different positions. He just made it for me. I just looked deep

*Interview continued on page 64

The photos you're looking at (and the bonus video that comes with this issue), started with an email from Rita to our studio manager. Wrote Rita, "I've truly enjoyed shooting with The SCORE Group. I wanted to bring to your attention that in June, I turn 69 and will have been shooting for The SCORE Group for 10 years. It

would be awesome if you would wish to shoot me celebrating this memorable milestone. One thought is shooting an air-tight scene having three sexy, young guys filling me up to a birthday climax! But whatever you choose is always fine with me. It is only a suggestion." *Only a suggestion?* Sure, but how could we resist?

Not only had Rita never done an air-tight scene (one cock in her mouth, one in her pussy and one in her ass at the same time); we'd never done one in the entire history of The SCORE Group. The logistics were a bit tricky, but, finally, we flew Rita to Southern California and hooked her up with the three guys you see here. They're almost young enough to be her grandsons, and they were eager to plunder her granny holes.

"I thought it was amazing," Rita said after she'd been thoroughly filled and glazed. "Stirling, Mike and Scotty were absolutely perfect. They fucked me so good, they were totally in-sync and I got to do everything in the scene that I was fantasizing about. The only thing we didn't do was have one cum in my pussy, one in my ass and one in my mouth. They all came all over my face and in my mouth. But it was really good. I ate lots of cum." Day Lynn Thomas

50
YEARS OLD

Birthday: February 28
Height: 5'1"
Weight: 120 lbs.

Lives: Fort Myers, Florida
Occupation: Dominatrix
Marital status: Married

Interview

50Plus MILFs: Hi, DayLynn, and welcome back. We've been looking forward to seeing you fuck. So, when you debuted in *50Plus MILFs* #336, you told us that you've been married for 30 years, and now you have a black bull master.

DayLynn: Right. My husband and I have been swingers from the first two weeks of being married, and we had been for a little over 20 years, and then we lived on a small island, and I might have gotten a bit of a reputation as the naughty girl of the island, or as my master would say, the slut of the island. So I was having sex with other men but with my husband's permission. I got a little bit of a reputation, and we dropped out of the swinging community for six years. There were wives and girlfriends who were no longer accepting me. It was causing trouble, so I got out of the community for a while, then I mentioned to my husband that I wanted to get back into it, so he contacted the man who is now my master. I didn't ask him to. He just started looking for something I might like. So now I have a full-time bull master, and sometimes he makes the decisions in my married life as well as our lives totally.

50Plus MILFs: And just to be clear, the guy who you're sucking and fucking in these photos is not your black bull master.

DayLynn: No, but it was his idea. He had brought up The SCORE Group in general and asked if it was something I'd be interested in doing. And I thought, "If I've never done it and my job is to serve and please Master and I enjoy seeking things out that I've never done, why wouldn't I take the opportunity to find out?" And I like it.

50Plus MILFs: Will this be the first time your master has seen you having sex with another man?

DayLynn: No, but from what I've heard, King Noire, the man I'm going to have sex with, is very dominant, and Master is very dominant and he's going to be watching us have sex, so that should be interesting.

50Plus MILFs: DayLynn, everything about you is interesting.

DayLynn: Thank you!

"I'm all about pleasure, and new things bring me pleasure," DayLynn said. Fucking a big, black cock is not new for DayLynn (although doing it on-camera is). In addition to being married, she has what she calls "my Black Bull Master" who has his way with her pussy and ass all the time. He's the one who calls the shots in her life and gave her permission to come to *50Plus MILFs* and fuck porn studs. Of course, he got to watch her do it, too.

"My husband has always enjoyed watching me fuck other men and then cleaning me up," DayLynn said. "My wildest sexual experience occurred when we went to a swing club and I had 20 men run a train on me. It was quite an evening in that I was totally used and had nothing to do but lay there and take all the cock they could give me." DayLynn can take a lot, but she was nervous before she did her first on-camera scenes.

We asked DayLynn if she's into anal sex, and she said, "That's a very interesting question as I have never done anal with anyone besides Master, and I always tell him no, but he takes what he wants, and in the long run, I love it." Turns out that Master isn't the only one who can give her a good ass-fucking. She enjoyed every inch of the King's big cock as it plundered her asshole. She's one hot MILF slut.

who liked shaved. They're all different. Some of them really love my hairy pussy. And they love Asian mature women like me. One guy said he wanted to suck my pussy and make me cum in his mouth, so I let him.

50Plus MILFs: Where do you like guys to cum when you're having sex?

MANDY: I'm not picky. If he wants to cum on my face, fine. If he wants to cum in my mouth or on my tits, fine, too. Cum on my legs, cum on my feet. Guys like to cum on my feet. They want me to take my shoes off. Some guys like to cum on my heels. Some want to cum on my stockings. They like to see me wearing stockings. They want to cum on my pussy and in my pussy. They want me to wear glasses so they can cum on my glasses. They just want to cum everywhere, even in my hair.

50Plus MILFs: What's the craziest thing you've ever done sexually?

MANDY: I've had sex in a car, but that's not crazy. On a beach.

50Plus MILFs: Have you ever been caught while having sex?

MANDY: Yes, but when I was younger. We went to the drive-in movies and some guy knocked on the door and made us stop. "Excuse me, excuse me, the movie's over!" And in an elevator. That was fun.

50Plus MILFs: What do you think the difference is between younger women and older women, sexually?

MANDY: Older women have experience, and an older woman knows what she likes. She has more feeling and goes with the sex and doesn't just lay there. She knows how to please a man. A lot of guys like a woman who knows what she's doing.

50Plus MILFs: Why do you think younger men like older women?

MANDY: Because a lot of younger guys don't know much about sex, so they want an older woman to teach them about sex so he can learn and get experience. All they want is experience, and an older woman can give him that. And I love turning a younger man on. Rubbing his body. Touching his ears and his face. And giving him a blow job. Showing him how to please a woman. Warm him up, turn him on and get him ready. I love to teach younger men how to please a woman.

into his blue eyes and I didn't even realize the camera was rolling or anybody else was there except me and him. It was really mindblowing. I was really nervous, but it was exciting and fun at the same time.

50Plus MILFs: Were you thinking, "I want to do this again"?

Rita: Yeah, I was. Even before, when I was getting my makeup on, I was looking through the magazines and wondering, "Am I going to be in this magazine some day? I sure hope so!" And I'm so fortunate that you chose me to be on the cover of the inaugural issue of *60Plus MILFs* magazine. I was totally blown away when I saw myself on the cover. I was like, "Wow, I'm a cover-girl." I was very honored. So at that point, I said to myself, "I want to keep making porn, I want to be a dirty, naughty girl, and here I am, 69 and doing 69s all the time!"

50Plus MILFs: And then you came back and did your first anal scene, and then you did your first interracial anal scene, with Lucas.

Rita: I had a lot of firsts with The SCORE Group, and I'm not just talking about the first time I did those things on-camera. I mean the first time I did those things at all. Before I came to The SCORE Group, I had never done anal in my vanilla life and I had never done DP. I had my very first anal with Juan Largo. Oh my gosh, that was amazing. It was actually the first time you took me on-location. We were doing an outdoor shoot on a rickety old chair for the first time I ever got my ass fucked, and I was trying to balance on the chair and get this big fuckin' cock in my ass all at the same time! That was really amazing.

50Plus MILFs: And then the anal scene with Lucas.

Rita: That was my very first interracial anal at all, so I was really, really nervous about having that big, huge cock in my ass. But once the scene starts and you just have that chemistry going, you forget about everything else, and for me, it was amazing. I loved it. When we had to cut and the photographer was doing something, like moving the lighting, Lucas didn't cut. He just kept going. He just wanted to keep his dick inside of me and keep fucking me and sucking

my tits and have me suck his cock. With Lucas, there was never a cut. You just kept going. That was great.

50Plus MILFs: I've known you for all of those 10 years, Rita. I even interviewed you that first day in the studio and watched you give a blow job for the first time on-camera. But all that time, I've always thought that there are two Ritas: the sexy Rita who will do anything on-camera and the Rita who's a mother and a grandmother, really a woman-next-door.

Rita: That's definitely true. I'm definitely more of an exhibitionist on-camera than I am in real life. But it all depends on where I am and what I'm doing. Sometimes I'm a real exhibitionist. If I'm out partying on South Beach, I'm totally different. But when I'm home and in grandma mode and having good times with my grandkids, you'd never know I was a porn star. I have a lot of different sides.

50Plus MILFs: So then you did your first DP scene with Sergio and Tony in *Double Dicked MILFs* 5.

Rita: I had a lot of apprehension before that scene. I didn't think they were

Mia Magnusson

61
YEARS OLD

Birthday: February 16
Height: 5'7"
Weight: 148 lbs.

Born: Australia
Lives: Las Vegas, Nevada
Marital Status: Divorced

We took things a little backwards with Mia, a super-sexy, long-legged mother and grandmother from Australia. We've already seen her eating pussy last issue and in the new movie *Granny Fuck Club*. And now she's getting her first solo pictorial. Better late than never!

Interview

50Plus MILFs: Hello, Mia, and, finally, welcome to *50Plus MILFs* for your first solo pictorial. How did you end up here?

Mia: A friend suggested I write to you, and I did. I don't shy away from cameras and spotlights, whether it's with sex or not. When you're younger, being awkward and shy, you're a lot more inhibited and shy, and, at least for women, you attach a great romantic expectation out of sex, so you're always riding that high and low of broken hearts. When you get older, you can enjoy it for what it is: freer and more fun. And like I said, I'm not shy. I was a Polynesian dancer back home in Australia, and then I moved to Hawaii and learned new dances. I've been dancing since I was a little girl, ballet, jazz, and I ended up doing Polynesian and belly dancing professionally. Go-go dancing and exotic dancing. I still do that occasionally.

50Plus MILFs: So here you are, showing off your beautiful body and having sex in movies like *Granny Fuck Club*, and you're 61 years old. How do you feel about that?

Mia: Great! I used to lie about my age to make myself seem older and then I lied about my age to make myself seem younger, and now I'm actually telling the truth about my age, which is how it should be. Women today are able to maintain a younger lifestyle for a lot longer, and, suddenly, younger guys like older women. That works for me. I'm sure there have always been men like that, but for me, it's a new phenomenon.

50Plus MILFs: Do you consider yourself a very sexual woman?

Mia: Definitely. I love sex. Sex is a part of life that I embrace. Like dancing, it can send you to that next level of bliss. I thought having sex on-camera would be a big jump and so nerve-racking and scary, and it really isn't. I don't know if that's because I'm an exhibitionist or because I have a more-healthy attitude toward sex in general. And being here and shooting with all of those beautiful, wonderful women has been a great experience.

50Plus MILFs: Mia, thank you.

Mia: Thank you, and I hope everybody enjoys my scenes.

Hmmm...care for some grapes? We'll have a few, especially if they're coated with Mia's pussy juices. More about this sexy GILF. She used to be a dancer at Pandora's Box in San Francisco. She managed rock 'n' roll bands in New York City. She's also been an actress and a psychic. We're guessing she can read our minds right now: We want to fuck this granny.

Mia likes painting, fashion design, singing and swimming. She wants to go swimming with sharks. "I've swum with dolphins and seals," she said. "I'm pretty adventurous." So adventurous that she still dances nude on occasion. Yet, she's never been as adventurous as she's been since she came to our studio: fucking porn studs, eating pussy and having a three-way with Luna Azul and a young guy. "Young guys like older women," she said. "That works for me!"

Height: 5'4"

Lives: Arizona
Occupation: Instructor
Marital status: Divorced

Interview

50Plus MILFs: Hi, Heather. So, this is your first time getting naked on-camera. Would the people who know you be surprised to see you here, doing this?

Heather: Yes and no. The people who truly know me know I would do something like this if the opportunity availed itself to me and I wanted to.

50Plus MILFs: Is that because you're a swinger?

Heather: Yes. I was introduced to swinging 10 years ago at a conference in Washington, D.C. Me and this guy were fucking in a hotel room, and he asked me if I wanted to fuck in the hotel swimming pool. Of course, I was surprised and told him no because there were other people in the pool. So then he told me about the lifestyle and how he and his wife had an open marriage. Shortly after that, I moved to Florida. While I was raising my kids, I didn't even date. But then both kids went to college early and I learned about swinging. I answered an ad about a party when I moved to Delray Beach.

50Plus MILFs: What happened next? I'm intrigued.

Heather: I knocked on the door to a hotel room. Now, I'm tiny and always have been, and the ad said BBBW, and I didn't know what that meant. So a guy opens the door and looks me up and down and says, "Do you know where you are?" And I said, "Yup." He said, "Okay," and let me in. It was a standard hotel room with two double beds and wall-to-wall people. On the beds were lots of very large, naked people. I went to the bar, drank two shots of tequila, even though I don't drink, and spotted a cute guy. I went over and attached myself to him, and as we were groping one another, we moved to a corner of the room where Mark, a 30ish black man, and his girlfriend were. I started kissing Allison, and Mark dropped my pants, put on a condom, bent me over and started fucking me hard. And Allison was making me cum, and Mark and James were taking turns fucking me, and I was gangbanged for the first time. Guys were lining up and fucking the shit out of me. And the fun had just begun!

"I work as an instructor, teaching standards and ethics classes to real estate personnel in different states," Heather said. "I have also worked in loss mitigation departments for lenders and on loan default work for investors." Until this, her most-fun job was driving a Good Humor ice cream truck one summer. But as we've always said, being in *50Plus MILFs* mag isn't a job. It's an adventure.

"I had a gangbang a year ago and I underestimated how many guys were going to show up and ended up with way too many. Around the bed where I was being fucked every which way, I could hear the rows of guys cheering as I was being fucked, and that made me cum harder and harder."

Charli Adams

56
YEARS OLD

Birthday: November 29
Height: 5'6"
Weight: 154 lbs.

Lives: Connecticut
Occupation: Event planner
Marital status: Married

Interview

50Plus MILFs: Hi, Charli. So, you and I were talking before, and you told me you were raised as a Mormon and were married to Mormon men.

Charli: I was very conservative. I didn't know anything other than the way I was raised. Missionary position. Sex maybe once a week. Every husband I had was the same way. Nothing out of the norm. They didn't try anything, and it was frustrating to me because I just knew, "There's gotta be more to this."

50Plus MILFs: I'm guessing your ex-husband never ate your pussy?

Charli: My last husband wouldn't even touch me there. He didn't go down on me once the entire marriage. I was dying. He really enjoyed blow jobs, but he wouldn't go down on me, so I looked for it somewhere else, and I cheated. I didn't even own a toy until after my last divorce. You didn't do that in the Mormon community. I did do blow jobs, and I knew they liked it, but I had weird husbands, I guess. They felt guilty, they felt dirty. Don't get me started. *[Laughs]*

50Plus MILFs: So what did you do about it?

Charli: Well, I cheated, and then I got divorced, and that's when things changed. Because once I got into the lifestyle and realized how freeing it was to have raw, passionate sex, I was like a deer in the headlights, like, "Wow, this can really happen!" And I went to a lot of parties and I just had a blast. I couldn't believe how fun it was. The first swingers party I went to, I was with a date who watched me get fucked by five different guys. I was hooked after that. So when I met the man I'm married to now, he opened me up to a whole new world of fun. He's as much of a sex addict as I am.

50Plus MILFs: How did you end up here at *50Plus MILFs*?

Charli: From camming. I had several followers suggest I do more than what I was doing. And my husband, who had heard of you guys, said, "You really need to do this." I think I was always this way, but I had to hide it until I met a man who brought it out of me. He let me out of my cage and I don't want to get back in.

"I think I've gotten better with age," Charli Adams said. "And my nipples are perpetually hard." You couldn't always have said that about Charli. Her ex-husbands were deadbeats in the bedroom, controlling and unimaginative. Strict Mormons. But Charli got out of those marriages, and now she's here, doing things that her ex-husbands definitely wouldn't have approved of. But you know what? Charli just doesn't care what her ex-hubbies think.

Charli is a mother of four and a grandmother of three. She has lived all over the United States. She loves gangbangs; her hubby has set up two for her. "And the first swingers party I went to, I was with a date who watched me get fucked by five different guys. I was hooked after that!" She enjoys working out, riding motorcycles and sex. She told us her perfect day consists of sex in the morning, motorcycle riding in the afternoon with stops at a few pubs along the way for a beer and sex at night."

Charli has big tits and a huge clit, one that's so big, it's hard to miss. But her ex-husbands chose to ignore it. What idiots! Look at what a great woman they missed out on. Maybe they'll find out for themselves. Maybe they'll "accidentally" stumble upon her scenes at 50PlusMILFs.com, where Charli can be seen sucking and fucking porn studs' big, fat cocks. "Everybody says I have the right body for fucking," she said. "That's why I'm here."

going to be able to do it because I have such a tight ass, but once they got in my ass, it was no problem getting in my pussy and ass at the same time. Tony's got an awesome, curved cock, It hit my G-spot and made me explode all over the place. And Sergio has a really big cock. Their cocks in my pussy and ass felt so good, I just melted away and went into this different world. That happens a lot when I'm doing a scene.

50Plus MILFs: And then your first air-tight. It was your idea, wasn't it?

Rita: Yes. I wanted to do something I'd never done for my 10th year with The SCORE Group and my 69th birthday, but at first, your studio manager, came back and said, "Oh, Rita, I'm sorry, I just don't think we're going to be able to pull this off because you're going to be blocked by the guys. I don't think we'll see enough of you, but let me run it by the big guns," and a few days later, she said, "We're on. Let's do it!"

50Plus MILFs: This was actually the first air-tight scene The SCORE Group has ever shot. So how did it go?

Rita: I thought it was amazing. The guys fucked me so good, they were totally in-sync and I got to do everything in the scene I was fantasizing about. The only thing we didn't do was have one cum in my pussy, one cum in my ass and one cum in my mouth. They all came all over my face and in my mouth. But it was really good.

50Plus MILFs: Do you have a scene that's a particular favorite?

Rita: One of my favorites, and I think it turned out really well, was my cuckold scene [Hot Wives, Cuckold Hubbies]. And the one where I was with Stallion and King Noir [Chocolate Stuffed MILFs 5]. That was a real favorite. And that was a DP, and I thought some of the stills were really hot and sexy. And, of course, this scene. They say a girl will never forget her first air-tight!

50Plus MILFs: So, Rita, what's next? You turn 70 in June.

Rita: Can you believe it? I don't feel 70 and I don't feel I look 70. It's just hard to believe. They say at a certain age, women just stop caring about themselves or getting horny. I wonder what age that might be? There's nowhere on my body where it says "Best if used by," so just keep using me!

Weight: 132 lbs.

Lives: California
Occupation: Dominatrix
Marital status: Divorced

53
YEARS OLD

Interview

50Plus MILFs: Hi, Justine, and welcome back. How did you get started in modeling?

Justine: I actually was signed by a modeling agency in the 1980s and I was going to do some porn with people like Ginger Lynn, but life took another turn.

50Plus MILFs: What inspired you to get into that?

Justine: Well, I really love sex and I love money, so it just seemed like a natural fit.

50Plus MILFs: And what was this turn that you mentioned?

Justine: I wound up getting into the computer industry. I was actually a geek for a number of years, and after the recession, I grew weary of silicon valley and, as you know, it's kind of a brotopia. Silicon Valley really doesn't seem to care for older female employees, so I decided to take their money another way and became a dominatrix and started shooting my own content for various websites, and here I am! Yes, those Google geeks are some of my best clients as a Dominatrix. I've found out that anyone with a high-powered, high-pressure job seems to really like submitting to a dominant female in bed.

50Plus MILFs: What else have you done, work-wise?

Justine: I was a reporter for the *Stockton Record*, ran my own small monthly and went into advertising. The last good job I had was selling Yellow Pages ads. And now I'm a dominatrix, which is the best and most-fun job I've ever had.

50Plus MILFs: A dominatrix who calls herself Badd Gramma. But that's your professional life. What about your personal life?

Justine: It's pretty normal. I write poetry, and I'm also a mother and a grandmother. I do quite a bit of babysitting. I like to go out and sing karaoke. I like to go out on the water. Boating, sailing, swimming. I'm a huge X-Games fan and I love the Winter Olympics. I love dancing, fine dining, arts and culture. One night it's the ballet or symphony, the next a Marilyn Manson concert. I love a good memoir. Some day I'll write my own. Right now, I'm living the dream.

"I was a geek for a number of years, and after the recession, I grew weary of silicon valley and became a dominatrix," said Justine, aka Badd Gramma. Here, Justine is geeked out in glasses that make her look even sexier than usual, if that's possible. In her first on-camera fuck, she sucks Donnie's big cock then takes it deep inside her hairy, retro 1980s pussy.

Justine told us how you, too, can get into her panties and fuck her hairy snatch. "I like a man who has a mix of book smarts and street smarts who's not afraid to stick up for me when the time comes. Someone who treats me with the utmost respect and reverence and still allows me to be a total freak in bed without judgment, whether that means bringing another woman in or whatever I need to be satisfied."

Donnie plunges deep into that beautiful bush a few more times, and Justine opens her mouth for his cum as another fine issue of *50Plus MILFs* comes to a close. Check out Justine in hardcore action in the new movie *Fur Pie MILFs 2* or in the free full-length video that comes with this issue. "I love being watched while I'm having sex," Justine said. "That's one of the reasons I decided to do this." We're glad she did, better late than never.
